Re: Review of Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers; Implementation of the Local Competition Provisions of the Telecommunications Act of 1996; Deployment of Wireline Services Offering Advanced Telecommunications Capability; and Appropriate Framework for Broadband Access to the Internet Over Wireline Facilities, CC Docket Nos. 01-338, 96-98, 98-147 & 02-33, Report and Order (adopted Feb. 20, 2003)

Dear Mr. Chairman:

As you know, the Federal Communications Commission reached a decision on February 20, 2003 in the above-referenced proceeding, commonly referred to as the "Triennial Review." Although the Commission voted on a resolution of this proceeding, only a press release summarizing the Commission's conclusions were released to the public. We understand that the Commission based its decision, at least in part, on a written document that expressly set forth at least some of the details reflected in the press release. We request that the Commission provide us, no later than Friday, May 23, a copy of the more detailed "term sheet" which helped form the basis of the Commission's February 20th decision. We do so with the assurance that this information will only be viewed by and distributed to Judiciary Committee Members and staff.

We look forward to your continued assistance with the Judiciary Committee as we consider the antitrust implications of this rulemaking. If you have any questions regarding this request, please do not hesitate to contact us.

Sincerely,

F. JAMES SENSENBRENNER, JR.
Chairman
